More reviewed on April 7, 2017"Excellent tool with excellent service "Excellent app.. The interface is simple and straightforward, a small window box with the standard Windows color scheme that won't cover up your work view.. You can also choose the destination folder for the PDFs, so they won't be all mixed in with the source files.. The fact is that no two conversion programs are quite the same, with some making mistakes.. not what I wanted Dont get it More reviewed on August 25, 2017good and effective for all users.. Despite being just a little program for one task and free to use, it has been very well designed for its purpose.. You'll see four big buttons in the program, for adding files, adding all the files in a folder, removing all files, removing selected files and starting conversion.. A little outdated but it worksFree Word to PDF Converter is a slightly outdated tool as some recent versions of Microsoft Word can convert PDF files internally.. This refers to the bulk conversion feature and lets you just pick the files you want with check boxes, nice and straightforward.. These are usually related to formatting, such as losing the source file's formatting or interpreting it differently, so the PDF comes out looking different to the Word document.. This software is fortunately not prone to those kinds of problems, perhaps because of its focus on one purpose.. However, a lot of people use older version or prefer not to use Word at all due to the heavy pricing scheme, so it's handy to have free software like this that can do the job in a pinch.. For example, you can convert a batch of Word documents at once, ideal if you need to do some serious file management.. I think that they all or most of them are satisfied with it More reviewed on May 8, 2017"it is a great time to work with word to ptf"Word converter is the best package in the world, I really like the programme very well..
