The Town Hall and the Dark Elixir Storage are placed at the center, this is mainly to attract the enemy troops to go inside, because most of the TH 8 players want to loot some Dark Elixir.. So that the player can adjust this TH 8 base to anti Hog Riders Rush #3 Defensing 10 Dragons and level 6 Balloons This Clash of Clans TH 8 base is good at defensing 10 Dragons and level 6 Balloons.. This is good while defensing Dragon The defensive buildings in this base are placed rigorously, no matter how your enemy's Dragons fly, they cannot attack the buildings inside.. 8 base design in clash of clans Honestly the best base i have ever used We all know that Clash of Clans is a Strategic and Tactical game and it needs a well-designed defense base in order to play a game well.. The traps are on the attack route of Hog Riders The 3 Air defenses are around the Town Hall.. So most of the defensive buildings should be placed on the right side of the Dark Elixir.. To finish, all the defensive buildings in this base are placed uniformly #4 Base Storage's placed separately This is again the Clash of Clan best defense town hall 8 as the advantage here is that the Storage's are placed separately, the attack range of Wizard Tower and Mortar can cover all the resources, and the Dark Elixir Storage is in the center of the firepower. e828bfe731 [Descargar Autocad 2010 Gratis En Espa Con Crack 1 Link](#)
